University of Nebraska Lincoln EXTENSION

ONSITE WASTEWATER TREATMENT TRAINING

Planning and Sizing a Septic Tank/ Drainfield System

FOR DOMESTIC WASTEWATER FROM A RESIDENCE OR BUSINESS ESTABLISHMENT

CONTINUING EDUCATION TRAINING

Day 1: RESIDENTIAL
9:00 am to 4:30 pm = 6 CEUs

Day 2: BUSINESS ESTABLISHMENT
9:00 am - 4:30 pm = 6 CEUs

CHOOSE THE DATES AND LOCATIONS BEST FOR YOUR SCHEDULE:

April 27 & 28	**ARDC near Mead, NE**
May 26 & 27	**Panhandle Research & Extension Center Scottsbluff, NE**
June 29 & 30	**West Central Research & Extension Center North Platte, NE**

Presentations, discussions, and interaction will focus on concepts and science for planning and sizing a septic tank/drainfield system. Participants will be able to apply their experience and knowledge of onsite systems to new issues. Those with little or no experience will learn from the discussion as well. The workshop will include problems on planning and sizing systems. This will allow participants to immediately apply what they have learned.

Topics to be covered include:

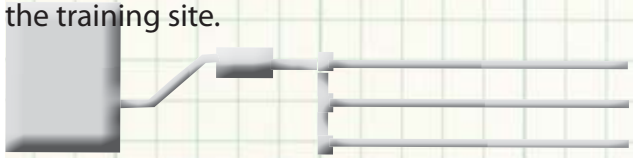
- Determining domestic flow from a residence and a business
- Analyzing the site evaluation
- Sizing septic tanks for single dwellings, multiple dwellings, and establishments
- Incorporating collection & flow splitters into the plan
- Sizing and layout of soil absorption systems using trenches, beds, chambers, PVC pipe and gravel for single dwellings, multiple dwellings, and establishments.

DAILY TRAINING SCHEDULE

(Central Standard Time)

8:30 Sign in
9:00 Training begins
4:30 Training adjourns

Lunch and break refreshments are provided at the training site.



UNL Trainers for Onsite Wastewater Treatment

Trainers are all part of University of Nebraska – Lincoln Extension.

Wayne Woldt is an Environmental Engineer with Biological Systems Engineering and the School of Natural Resources.

Sharon Skipton, Extension Educator with a focus on water quality, is with the Southeast Research and Extension Center.

Jan Hygnstrom, Project Manager for Onsite Wastewater Treatment, is part of Biological Systems Engineering.

Onsite Wastewater Training Form

Complete and detach the registration form for Planning and Sizing a Septic Tank/Drainfield training. Mail the registration form and a check made out to the "University of Nebraska" to:

Bonita Delhay
Biological Systems Engineering
234 Chase Hall
University of Nebraska
Lincoln, NE 68583-0726

CANCELLATIONS

You will receive confirmation that you have been registered. Any cancellations received six or more business days (Monday through Friday) before the training will receive a full refund. Cancellations received 2 to 5 business days before the training date will receive a partial refund - a $35 per person service charge will be withheld. No refunds will be given for "No shows" or cancellations received one business day prior to training.
