APPLICATION MANURE MANAGEMENT CONCEPTS ON-FARM
Sessions will be held in-person and will include an update on regulations and discussion on how to best use manure on your operation. All-day sessions will meet requirements for Land Application Training. Afternoon sessions will meet needs for Recertification.

IMPORTANT NOTES!
- Initial land application training certification requires participation in full event (6-6.5 hours).
- Recertification training requires participation in the 2.5 hour session. Alternatively, you may attend the full event.
- Anyone is welcome. Crop farmers and livestock operations will learn useful, applied information.
- Registration and more information is available at: water.unl.edu/lat

Pre-registration is required and is available at:
water.unl.edu/lat

Cost: $75 per Operation
Multiple people may attend from an operation, but all must be registered.
